💡 Creative digital professional with a background spanning content, web development, SEO, and digital accessibility. I started in digital publishing, writing articles for Czech Radio, and gradually moved into web development and digital projects for international companies.

🚀 I combine strong content skills with hands-on web experience, a good understanding of technology, and the ability to learn new tools and disciplines quickly.

EXPERIENCE

E-COMMERCE SPECIALIST

Avon Cosmetics, hybrid | 10/2024–06/2026
